Sept. 24, '71

Hal:

That copyrighted story ZNS did on Lane was an item we did three weeks ago on The Newsworks story. We mentioned in the item that Lane "copyrighted" the story in Newsworks.

I've enclosed it plus an A.P. item from an Arizona paper on Holloman -- dateline Memphis. Also enclosed is a short N.Y. Times wire item on who's on assassination Committee.

Jon
